## 50 States Barn Quilt Display Sponsor Form

We are excited to announce plans for a 50 State Barn Quilt Display. This will be a unique community art installation that will be completed in phases over the coming year. Each state has an official quilt block, much like a state bird or flower designation. Rose Mapel of Rustic Milling & Crafts, LLC has been commissioned to paint the barn quilt blocks for the project to maintain uniformity in color and design. The blocks will be displayed on the east side of the Old Mill Building located west of the overpass as you enter the downtown area in Cozad. Mabelle Smith, new owner of the building, anticipates that renovations to the property will begin as soon as weather permits. We hope to have the first installation phase completed this summer. Upon completion the display will measure 6' x 50', showcasing all 50 states.

The Cozad Tourism committee is requesting sponsorships to help support this project. The initial expenses have been funded by the Tourism Committee through lodging tax dollars. It is our hope that this one-of-a-kind piece of art will draw tourists to the area to see their state's block. Sponsorships for the 50 state blocks are \$200.00 per block. This includes the cost of having the 2' x 3' block commissioned and painted as well as contributing for installation and maintenance costs. Your sponsorship will be listed on the [barnquiltsdc.com](http://barnquiltsdc.com) website and app and in a brochure about the exhibit. We'd love to have you help us celebrate this exciting showpiece which is sure to capture a positive first impression to visitors to our community.

Sponsor Contact Name
Phone Number
Mailing Address
If a business is sponsoring, name and address of business
Name of sponsor to appear on website and printed materials
Email address
Any Additional Information
